

Lapo Querci

email: lapo.querci1@unifi.it | website: lquerci.github.io

Dipartimento di Fisica e Astronomia, Università di Firenze, Sesto Fiorentino, 50019, Italy

EDUCATION

- | | |
|--|---|
| • Doctor of Philosophy <i>Physics and Astronomy</i>
<i>University of Florence</i> | <i>Nov 2023 - present</i>
Florence, Italy |
| • Master of Science <i>Physics and Astrophysics</i>
<i>University of Florence; 110/110 cum laude</i> | <i>Feb 2021 - Oct 2023</i>
Florence, Italy |
| • Bachelor of Science <i>Physics and Astrophysics</i>
<i>University of Florence; 110/110 cum laude</i> | <i>Sep 2017 - Feb 2021</i>
Florence, Italy |

INTERNSHIPS

- | | |
|---|---|
| • In-situ visualization of numerical simulation
<i>Observatory of the Côte d'Azur</i> | <i>Aug 2022 - Nov 2022</i>
Nice, France |
| • Data Analysis Traineeship
<i>Negens, Florence, Italy</i> | <i>Jan 2022 - Mar 2022</i>
Florence, Italy |

COURSES AND SCHOOLS

- | | |
|---|---------------------|
| Course INAF Workshop on Astrostatistics | <i>Oct 2024</i> |
| School Galaxy Formation and Evolution in a Cosmological Context | <i>Jun 2024</i> |
| Course MPI: hands on sessions | <i>Sep 2022</i> |
| School 14th International School for Space Simulations | <i>Sep 2022</i> |
| Course HPC for Cosmological Application | <i>Feb-May 2022</i> |

GRANTS

- | | |
|--|-----------------|
| PI of an ISCRA-C project at CINECA, Italy [100 KCPUhr] | <i>Mar 2024</i> |
|--|-----------------|

TEACHING AND COMMUNITY INVOLVEMENT

- | | |
|--|---------------------------|
| PhD representative <i>Representing 60 PhD students within the Department of Physics and Astrophysics</i> | <i>Jun 2024 - present</i> |
| Freshmen Orientation Delegate <i>Guiding high school students in their STEM career</i> | <i>Feb 2025 - present</i> |
| Physics Tutor <i>Physics courses instructor for Physics, Chemistry, Biology and Natural science students</i> | <i>Jan 2022- Jun 2023</i> |

POSTERS, TALKS AND SEMINARS

- | | |
|---|-----------------|
| Seminar <i>University of Pisa</i> | <i>Mar 2025</i> |
| Seminar <i>Observatory of Florence</i> | <i>Sep 2024</i> |
| Poster <i>The Milky Way Assembly Tale, Bologna, Italy</i> | <i>May 2024</i> |

PUBLICATIONS

2. M. Rossi, **L.Querci**, S. Ciabattini, *et al.*, (in prep), CRIMSONs: Chemical enrichment with the random sampling of the initial mass function.
1. **L. Querci**, A. Pallottini, L. Branca, and S. Salvadori, (2025). *A&A* vol. 694, Art. no. A17, EDP. DOI: 10.1051/0004-6361/202452476

SKILLS

- **Languages** Italian, English
- **Programming** Python, C/C++, Fortran, HTML, CSS, JavaScript
- **Codes & Softwares** Arepo, Flash, Paraview
